TRAVEL SCHOLARS 2019

INTERNATIONAL SOCIETY OF SURGERY FOUNDATION (ISSF)

The primary goal of the ISS Foundation is to help to educate surgeons in the developing world on new techniques, state-of-the-art ideas, and the ability to deliver these advances to their citizens. Our Society and this Foundation is dedicated to these educational endeavors.

INTERNATIONAL TRAVEL GRANTS FOR SURGEONS & ANESTHETISTS

ISS Foundation offers a number of Travel Grants to young surgeons in general-, trauma- and digestive surgery and anaesthetists (< 40 years old) from developing countries who have demonstrated interest in teaching and research.

The award will permit the recipient access to the International Surgical Week (ISW) 2024, in Kuala Lumpur, Malaysia, which takes place from 25 to 29 August, 2024
